PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 C.F.R. 137(b), (f)

Please accept this petition to revive the above noted patent application. A PCT Patent Application based on the above-referenced application was filed on November 7, 2001. A Request to Rescind our prior Request and Certification for Non-Publication under 35 USC 122(b)(2)(B)(i) was therefore due not later than December 22, 2001. Because this date fell on a Saturday, and given the subsequent Holidays, the effective due date for the Request to Rescind became December 26, 2001. However, upon reviewing the file, it was discovered that the Request to Rescind was actually filed via Express Mail on December 28, 2001.

In the event that the above-referenced patent application has become abandoned for this error, please treat this paper as a Petition to Revive the application under 37 CFR 137(b) & (f) and charge the appropriate fee of \$1,280.00 and any other fees to our Deposit Account No. 02-2666.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage in an envelope addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231
